**STATEMENT REGARDING
INFORMATION DISCLOSURE STATEMENT FILED APRIL 4, 2002**

Commissioner for Patents
Washington, DC 20231

Sir:

Following up on the Information Disclosure Statement submitted April 4, 2002, we submit the following clarifying comments.

The IDS was filed along with an International Search Report mailed December 26, 2000. Although the Search Report listed six documents and referred to corresponding English publications for translations, the IDS inadvertently listed a total of 10 items as individual references. To clarify, documents AH and AJ correspond to document AI and documents AA and AN correspond to document AM.

We look forward with interest to the Examiner's action at an early date on the merits of the case.

Respectfully submitted,

T. Daniel Christenbury
